Subject: Withdrawal Objection Transfer of Claim 53526 (Docket Number 32394)

Dear Sir, Madam,

On October 29, 2012 I filed an Objection of Transfer of Claim # 53526 (Docket Number 32394).

This Objection is a misunderstanding. I have not realized that the Stichting The IAMEX Value Foundation transferred my claim lawfully and in my interest, for which I thank them. Objecting to this is not in my interest.

I therefore:

- withdraw the Objection to Transfer of Claim #53526 (Docket Number 32394)
- declare that Stichting The IAMEX Value Foundation performed the Transfer of Claim correctly on legal grounds under Dutch law ("Zaakwaarneming" (Art. 198 BW)) and that Stichting The IAMEX Value Foundation has acted lawfully in my interest.
- declare that Stichting The IAMEX Value Foundation is unconditionally and irrevocably authorized (if possible retroactively) to perform transfers of claim or whatever needed in relations to securing claim 53526.

I have sent a copy of this letter to my bank ABN Amro MeesPierson in Amsterdam, which understand and complies with this message.

Thank you in advance, I would appreciate your cooperation in this.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "M. Gerritsma".
